ALL GUARD PROTECTIVE FACE MASK

PRODUCT FEATURES

Skin Irritation Test Completed

Soft inner fabric
minimizes skin irritation

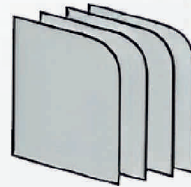

Ergonomic 3D Design

3 dimensional structure
design provides excellent
serviceability &
comfortable breathing.

Functional Nose support

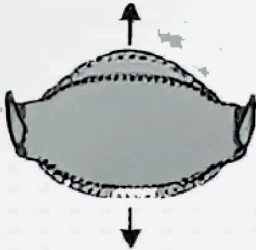

Helps prevent the mask
from slipping and resists
fogging of glasses

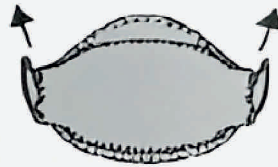

4 Layers of Protection

Provides additional protection
over a 2 or 3 layer mask.

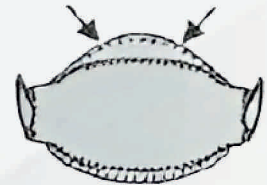

HOW TO WEAR

Spread the folded mask in
3rd layer.

Attach both straps to the ear to
secure the position.

Adjust the nose support to
keep the mask close to
the face.

Precautions for use

- ◆ Do not use in a clinical setting where the infection risk level through inhalation exposure is high.
- ◆ Not for use by children under age 13
- ◆ Store in a cool dry place
- ◆ Do not wash. Do not use if inside of mask becomes contaminated.
