

## Prism Lighting Services, LLC

Model  
**PBL60L**

How to read the drawing: in a range of 13 meters/ 531 square meters, we guarantee a lighting in accordance with the EN1838 standard

# Prism Balloon Light (60 W LED)

### > LIGHT FIXTURE

|                    |                  |
|--------------------|------------------|
| Model              | PBL60L           |
| Voltage            | DC48V            |
| Lamp Type          | LED              |
| Power              | 60 W/120 W       |
| Lumen              | 7200 Lm/15600 lm |
| Cri                | 70 Ra            |
| Life Span          | 30000 hrs        |
| Color Temperature  | 5000 K           |
| Inflated Dimension | 600*430 mm       |

### > CASE

|                     |                |
|---------------------|----------------|
| Stand Sections      | 4 sections     |
| Lifting Type        | Manual lifting |
| Max. Working Height | 2400 mm        |
| Case Size           | 694*593*286mm  |

### > SIZE AND WEIGHT (KG)

|                     |                |
|---------------------|----------------|
| Lamp Weight         | 3.3kg          |
| Package Weight      | 24.5kg         |
| Packing Size(L*W*H) | 720*680*310 mm |

Content: Led balloon light fixture, Stand, 1 Battery, 1 Battery charger, 1 User manual

### > BATTERY

|                         |                                 |
|-------------------------|---------------------------------|
| Capacity                | 15 Ah                           |
| Voltage                 | DC48V                           |
| Battery Type            | Ternary Lithium Battery         |
| Continuous Running Time | 8h (Lighting time by Max. Watt) |
| Charger's Current       | 2 A                             |
| Charging Time           | 8 hrs                           |
